Sen. Tommy Tuberville (R-AL) - Defense Contractor & Private Prison Stock Trades

Sen. Tuberville (Senate Armed Services Committee) has been one of the most active traders in Congress. Multiple PTRs document trades in defense contractors (L3Harris, Lockheed) and indirect exposure to private prison operators through funds. Tuberville has blocked military promotions while holding defense stocks and has publicly supported expanded border enforcement. Watchdog groups have flagged potential conflicts with DHS/ICE funding votes. Source: Senate disclosures and 'Captain Gains' NBER-style analyses (2022-2026).
